**July
21st**

“Fuel Quality and it’s Effect on HPCR Engines”

Wha'da ya mean, using “Bad Fuel” is like having my engine live on a “junk food” diet?

Find out why, and how to insure you are using “Good Fuel” at our next “Fleet Managers Forum”.

Discussion Points on Cost & Performance

- * Storing, Handling, Dispensing & Filtering
- * Effects of high temp's & pressure on fuel
- * High fuel pressure & close tolerances
- * Winter vs summer blends
- * Low temp operability & stability
- * Proper use and effect of additives

Local Industry Panel

- Mark Fitz, Star Oil
- Jim Mann, Bretthauer Oil
- John Demartino, Otts/WSB
- John Whitmore, Carson Oil
- Ambrose Hughey, Staveley Labs
